URGENT MESSAGE

Yesterday, the chief of one of the religious organizations from Ukraine approached me with an urgent request because I am the representative of Living Rosary. This organization is going to sell the Miraculous Medals which were made many years ago in Italy at the request of the Living Rosary. Due to the difficult economical situation in Ukraine, this organization is closing down all its activities and selling its assets; the most important asset is the large quantity of Miraculous Medals. This medal normally sells for 15 cents and they are willing to sell it at 4 cents a piece. This price includes the cost of the shipment and transportation of the medals to all the Living Rosary Centers around the globe. The quality of the medals was approved and testified by the staff of the Living Rosary Center in Texas. When I received this information, I encouraged the International Center of the ULRA to take the chance and buy all the 300,000 medals from this organization.

The Miraculous Medals have great strength from God and the Virgin Mary, and bring a lot of spiritual blessing for all the people who hold them. This is a very unique and important chance and, therefore, I implore all the Benefactors of the Living Rosary to help us to purchase these Medals at such a small and symbolic price even for the Ukrainian standards. Please help us to bring the devotion of the Miraculous Medals to every corner of the world. The boss of the religious organization wants me to hurry up in closing this deal as soon as possible as there are people who are waiting to buy all of the Medals.

Dear Benefactors of the Living Rosary, please hear our prayers and help us to buy all these medals for the missions where the people hunger for the devotion to the Virgin Mary and need our support and help.

Dear Mrs. Patti Melvin, I pray very hard that the Benefactors and members of the Living Rosary will hear our request and help us in this need. The Virgin Mary told us, ***"Have a Medal struck after this model. All who wear it will receive great graces. They should wear it around their neck. Graces will abound for persons who wear it with confidence."*** Please help us to bring a lot of graces and blessings to all the people who need this grace, by means of the Miraculous Medals!

With prayers and respect,
Fr. Ivan Kolodiy
