Dear Patti Melvi,

Peace & Health be with you.

Received with hearty thanks your kind letter dated May 15,2009.

During the month of April 2009, I was touring in some villages on the hills of Toungou diocese. There I saw the faithful are very rich in faith, but they are very poor: I mean they are poor in materials. They have no Rosaries, no medals, no scapulars, no holy pictures in the houses. I have distributed to them the Rosaries, medals etc.. to them free of charge. I only asked them to pray for the generous donors who sent us these religious materials. All of them promised me that they will pray for you all every day. The recitation of the Rosary will be for our generous benefactors. I was so glad to hear that Promise. Let us help them keeping their strong faith by distributing freely the Rosarie, medals, scapular and other materials.

I wish to assure you and all the generous benefactors who send us the Rosaries and other religious articles for our poor catholis on the hills. I ask our dear Mother Mary and Her Son Jesus to love, bless and reward you all more abundant ly for your generosity, charity and fraternal solidarity.

Always keeping you in my daily Mass and daily prayers.

Yours in Jesus, Mary and Joseph,

Mons. Abraham Than B.E.K
