

# ULTRA GOALS FOR YEAR 2009

1. **Double the membership!**
  - Through advertising the website,
  - leaflets, wide distribution of materials,
  - Strengthening the Centers with supplies, encouragement, support, quick response and turn around.
2. **Focus attention on FATIMA** and its vital message, through pictures, leaflets, a newsletter devoted to FATIMA, Rosary leaflets and Scapular information in every language.
3. **Increase Scapular production:**
  - A Scapular making machine has been donated; now, we must put it to work.
  - Generate funds for Scapular materials.

4. **Support the missionaries and our own members in their sufferings and pain.** Here is the keen and singular patronage of our Mother Pauline Jaricot. Distribute her prayers, her life and her spirituality on the Cross.
  - **Pray for Priests** (a new booklet is prepared for printing to show the dignity of the priest and his need for prayers.)
5. **Provide families in the USA** with animation through the newsletters, and provide means for them to become missionaries at home through stringing Medals, making Scapulars, sending parcels for the missions and praying for them, thereby strengthening the faith and union of the family.

**The Healing Balm of the Immaculate Heart of Mary  
Must be poured out on the world, Drop by Drop, DECADE by DECADE!**
